Chair's report (Toewe)

Academic Compliance Committee – trying to find new time (conflict with SESS meeting)
looking to expand membership

Welcome new committee member Senator Alan Morse from NHS

I asked the Executive Committee about items needing to go to Codification. Yes, Dan wants to vet everything to ensure consistency. We can include a preface for what is needing review and what is, for instance, language coming directly from the State

Reports from Councils:

– (Evans) No Report

– (Matchett) LAC proposed changes were approved by faculty vote; changes go into effect Fall 2021. The new curriculum workflow website is working well. Two guaranteed transfer pathways are undergoing reapproval: GTSS2 & GTSS3.

Toewe – Will there be communication with advisors regarding LAC changes and impacts for advising?

Matchett – Yes, probably in the next year so.

- (Goodwin) – No Report

– (Fitzpatrick) – We are conducting audits for UG student speaker at commencement

– (Tancay) - No Report

Unfinished Business

Academic Appeal Procedure Amendment Proposals

- o Satriana provided revised documents. Brian Luedloff attended and was crucial in providing first-hand experience to aid in discussion. Currently, the original documents are in place. We should see the AAP back in APC soon.

Honorary Degree Process – Senate Action Form #1103

- o Toewe sent the policy to the President and Provost for their input. Andy identified the process could be streamlined particularly the nomination and review procedures
- o Currently, the full Faculty Senate vote in closed meetings. Do we want the Executive committee to handle it instead?
- o Murry - Honorary degrees have been a contentious issue in the past. It has been to have the full Senate working together for this purpose.
- o Greene - It is a good idea to keep the session closed in case it does become a sensitive discussion.
- o Toewe – Will leave that section as is full Senate in closed session.
