9. Special Orders: None

10. Special Reports: None

11. Unfinished Business:

- **Loan Policy** – tabled

MOTION: Rothaus – It is moved to take the Loan Policy off the table for discussion.

SECOND: Murry

VOTE: Approved by voice vote

- HR Director Marshall Parks and University Counsel Dan Satriana are in attendance to aid in discussion and provide context for the Loan Policy.
- New policy would limit borrowers to one loan from their 401a at any given time.
 - Currently, there is no limit on loans taken from 401a accounts.
 - Limiting loans would reduce the burden on HR to manage them.
 - 401a is the replacement for Social Security; no one may borrow from Social Security.
 - UNC is the only Colorado university allowing multiple loans; most schools in Colorado do not allow loans or only allow one loan.
 - Does not affect terms of current loans.
 - 10yr payback if used for primary home purchase; 5yr payback if used for other purposes.

12. New Business:

- **Academic Appeals Procedure**

- Primary changes outlined in the preface: visual chart, timely procedures, clarified language to close loopholes, define working/calendar days
- From initiation of an appeal to resolution: 120 days

MOTION: It is moved to approve the changes to the Academic Appeals Procedure as presented.

VOTE: Approved by voice vote.

- **Catalog language - Course Purge**

- Codifies in the catalog the practice already in use by the Registrar's Office at the direction of the Provost's Office.
- Every Spring semester, a report is generated that shows what courses have not been taught in the past 6 years.
 - The report does not include reserved-number courses.
 - Courses will be removed from the curriculum unless the unit specifies otherwise; departments are asked to provide written justification.

QUESTIONS/DISCUSSION: This practice helps ensure what is published in catalogs is being offered. It's not fair to students to advertise what is not actually offered (truth in advertising). There is a question as to what is 'sufficient justification' from departments to keep courses. Could Graduate courses be pulled every 10 years instead of 6 years? The 6-year cycle reflects how long catalogs are in effect; courses need to be available as long as there are students who are subject to the particular catalog. Courses may be reactivated through the curriculum workflow.

- Table the issue to allow time to check for HLC requirements, address what is adequate justification, adjust the reference to Chair/Director, and add school to reference about departments.

MOTION: It is moved to table the issue of the Course Purge policy.

SECOND: Blatt

VOTE: Approved by voice vote.

- **Administrative Position Searches**

- Codifies the practice used in the last couple years, incorporating faculty participation in searches and to chair searches.
- Processes laid out for Academic Affairs searches at various levels (university-wide and college-level) as well as Non-Academic Affairs searches.

MOTION: It is moved to approve the policy for Administrative Position Searches as presented.

VOTE: Approved by voice vote; one opposed.

13. Comments to the Good of the Order:

14. Adjournment: The meeting adjourned at 5:11pm.
