Hello! Yay for our second panhellenic meeting of the semester!

I met with Kate and two National Panhellenic representatives and we discussed the new hybrid recruitment style a lot more in depth.

I am excited to come to your chapter meetings and tell you about it!

to be an amazing
change for us and it will make recruitment a much more laid back experience.
Kaylin and I will be getting together within the next few weeks to reinstate a
Judicial Board.

Be on the lookout for applications for that if you would like a low stakes
position within our Greek Community!

Have an AMAZING week!

Vice-President: Laurel DeBolt (laurel.debolt@unco.edu):

Hey everyone!

Chapter total change passed! Chapter total will be ~~seh m1EMC t0mnee re~~

accepting these applications until the next panhellenic meeting February 6th at

For the presidents and risk chairs in the room, I just got access to the qualtrics meaning I am now able to see forms that are sent so that I can approve those forms for you guys. As a reminder forms should be sent in one week prior on any event that your chapter is holding. All chapters must submit event registration forms for socials, sisterhoods, transition events, I week events/ritual, officer meetings, etc. If there is alcohol at the event that will be through patrishia not myself.

My office hours will be Monday from 3:30-4:30, if for any reason this changes I will let you guys know.

Have a great week!
